

Reasons For Allowance

1. The following is an examiner's statement of reasons for allowance:

Claims 1, 3, 7-12, 17-21 and 26-31 are allowed because the prior art made of record does not teach or suggest a method/system/computer-program-product of modeling for use with an integrated circuit design in the manner as recited in the claims.

2. With respect to claims 1, 3, 7-12, 17-21 and 26-31, the prior art fails to teach the combination of steps in claims 1, 12, 21 and 30 including the following particular steps as recited in claims 1, 12, 21 and 30:

partitioning the edge based on a core element for each vertex of the core Voronoi diagram, the core element being one of a largest possible core element and a smallest possible core element; and

wherein in the case that the core element is the largest possible core element, the intervals are as large as possible, and wherein in the case that the core element is the smallest possible core element, the intervals are as small as possible.
